

**2022-23 Orange County Section Election  
Candidate Statement**

**Delegate:            HARRIS HUYNH**

As a member of PEGG through my time with District 12, I am excited for the opportunity to run for Delegate of the Orange County Section. Working for Caltrans for the past 3 years, I have grown to appreciate the importance that PEGG has on providing proper representation and benefits for Unit 9 employees. It would be a privilege to serve as an active representative in this process.

PEGG operates around the transparent communication and shared interests of its representatives and members. As a delegate, I would work towards becoming informed of the needs of our section's PEGG members and ensuring that these needs continue to be met as our careers progress. Providing a secure work environment with competitive benefits is something that convinced me to join PEGG from the beginning of my career at Caltrans, and if I am elected, it is something that I look forward to continuing. Please vote for me as a Delegate of the PEGG Orange County Section.

Thank you.
