

**2022-23 Orange County Section Election
Candidate Statement**

Vice President Rank and File: Tran Dang

Greetings everyone,

My name is Tran Dang and it's time for election, so I need your support.

I am a Transportation Engineer who is currently working with NPDES/Storm Water Branch since 2000 and been involved with OC Section for the past 17 years through different positions: Delegate, Treasurer. In 2019, I had the honor to serve you as the Section President and this year as incumbent Director. Throughout the years, I've always proactively kept and served the members of Orange County Section for their best interest in all issues and concerns.

As a result, I had an honor to represent the members of Orange County Section to bring home the most distinguished trophy, Section of the Year (2020) Award. Throughout my term, we have established and formed multiple committees such as Outreach, Member Recruitments, Media & Newsletter, Member Supports, STEM/Science & Engineering Fair, etc. and we are continued looking for another strong year.

As Vice President Rank & File, I will continue to work hard to represent the members at the Section level and there is one thing I can assure you that I will not misrepresent my office or myself. Our members' needs and concerns will be elevated to the President and Director of our Section for addressing.

Again, thank you for your continuing support.

Please VOTE TRAN DANG for your Vice President Rank & File.
