

**2023-24 Orange County Section Election
Candidate Statement**

Treasurer: ARVIN CUEVAS

I am honored to have been your Section Treasurer the past four years. I look forward to continuing this position for the benefit of the membership. Having served my 17th year on the Board (13 years as Delegate, 4 years as Treasurer), I have represented your concerns and addressed many of your questions. Some of the newer PEGG members may recognize me through the New Employee Orientation (NEO) events where I introduced onboarding Engineers/Architects to PEGG. I will continue providing the level of service to which you are accustomed in being your voice and elevating your concerns to the appropriate contacts.

I am excited to continue as your Section Treasurer. Elect Arvin Cuevas and help PEGG deliver!
