

**2023-24 Orange County Section Election  
Candidate Statement**

**Delegate:            JARED LINDO**

My name is Jared Lindo and I am a Project Manager with District 12. This is my fifth year with the Caltrans family and I have been a proud PEGC member ever since day 1. I was in the private sector for 10 years and have learned that there are better ways to spend my time over 17 hour work days in the office. I now invest most of my free time in family, community, and philanthropy. Over the last decade I've been a leader in many different engineering organizations such as ASCE, WTS, and others, and in doing so I have been afforded the opportunity to promote engineering, higher education, and community outreach. I have been a PEGC Delegate for three years and in that time I have helped lead a committee dedicated to promoting STEM education and holding events for the local youth through the school system representing PEGC and Caltrans. I hope that you will allow me to continue to represent you, have your back, and to be your voice. Thank you.
