I have been a proud PEGC member since I started state service. It was an honor to serve as your Section President in 2022. Also, I've been past VP of Rank & File and was involved with the bargaining of the 2018-2020 MOU that helped secure one of the best contracts in our history. I have assisted with member concerns whenever possible and have been proactive in gathering feedback on important issues in order to make sure that your voice is heard and to help protect and improve our benefits such as health and retirement benefits.

Now, I am seeking your support as Vice President Rank & File. I appreciate your vote and hope to have another opportunity to serve the membership. Thank you for your consideration.
