

**2023-24 Orange County Section Election
Candidate Statement**

Delegate: PARISA BOZORGCHAMI

I am a Transportation Engineer Civil (Range D) with Caltrans and I have been a member of PECG for 2 years. I began my career with Caltrans in District 7 division of design, when I transferred to District 12, I became an active member of PECG OC section.

I have served as section secretary and as a section delegate. I am running for delegate again because I wish to continue representing the members of the OC section. I appreciate your consideration and support.
