Vice President At Large: STACY SOR

Greetings,

My name is Stacy Sor, and I am seeking your support to continue representing you as OC Section for Vice President at Large.

I have worked for the State of California for 32 years. I started my career with the Department of Conservation, Division of Oil, Gas, and Geothermal Resources (presently California Geologic Energy Management Division (CalGEM)) in August 1990. For the past 18 years, I've been working as an Energy and Mineral Resources Engineer to ensure compliance with oil and gas, and environmental regulations. I have also been a PECG member since October 2005.

I am looking forward to supporting the At-Large Luncheons and providing guidance with union job-related issues. Please vote for me so I can be an advocate for you. Thank you!
