

# PE ORANGE COUNTY SECTION

PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT

## VICE-PRESIDENT, RANK & FILE

### Ahmed Nasr

Caltrans – District 12  
Transportation Engineer, Range D  
Year of State Service: 2 years

My name is Ahmed Nasr and I have 23+ years of experience engineering, teaching and research. I have a PhD in civil Engineering (structural and earthquake engineering major) from UC Irvine. I have been with Caltrans (Bridge Design) and member of PECC for the about 3 years. I look forward to working with PECC elected officers to protect the interests and benefits of all members and increasing membership rate among rank and file and supervisors. I will be running for the Vice President Rank & File position, and I appreciate if you vote for me.
