

PE ORANGE COUNTY SECTION

CG PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT

TREASURER

Arvin Cuevas

I am honored to have been your Section Treasurer the past five years. I look forward in continuing this position for the benefit of the membership. Having served my 18th year on the Board (13 years as Delegate, 5 years as Treasurer), I have represented your concerns and addressed many of your questions. Some of the newer PECG members may recognize me through the New Employee Orientation (NEO) events where I introduced onboarding Engineers/Architects to PECG. I will continue providing the level of service to which you are accustomed in being your voice and elevating your concerns to the appropriate contacts.

I am excited to continue as your Section Treasurer. Elect Arvin Cuevas and help PECG deliver!
