

PE ORANGE COUNTY SECTION

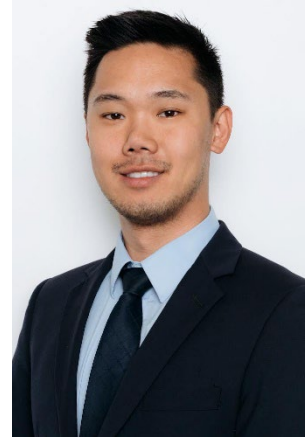

CG PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT

SECTION DELEGATE

Calvin Wong

Associate Safety Engineer
Department: Cal/OSHA
Years of State Service: 4 years

My name is Calvin Wong and I am an Associate Safety Engineer at Cal/OSHA. I am running to be a Delegate of the Professional Engineers in California Government (PECG) – Orange County Section. I am eager to contribute to the work PECG plays in advocating for the interests of engineers working in California state government. There are several improvements that need to be made and I want to ensure that those changes happen.

As an active member of our Cal/OSHA community, I am deeply committed to representing our interests and ensuring that our voices are heard within PECG. If elected as a Delegate, I will work tirelessly to address the issues that matter most to us, whether it's advocating for fair compensation, promoting professional development opportunities, or advocating for improved working conditions. In this role, I will be responsible for representing employees by hearing and listening to their concerns then informing PECG of the concerns employees have.

Your support would mean a great deal to me and would help to ensure that I have the opportunity to represent our collective interests effectively. If you are looking for someone who is passionate and dedicated to the wellbeing of our co-workers, then put your trust in me to voice those concerns.

Thank you in advance for your support. Together, we can work to make a positive impact within PECG and continue to strengthen our engineering community.
