

PE ORANGE COUNTY SECTION

CG PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT

PRESIDENT-ELECT

Jared Lindo

My name is Jared Lindo and I am seeking your support to represent you and the OC section as President Elect for the 2024-2025 term.

I am a Project Manager with District 12. This is my sixth year with the Caltrans family, and I have been a proud PEEG member ever since day 1. I have 20 years of Civil engineering and survey experience combined. Over the last two decade I've been a leader and supporter in many different engineering organizations such as ASCE, WTS, and others, and in doing so I have been afforded the opportunity to promote the engineering profession, higher education, and community outreach. I have been a PEEG Delegate for five years and in that time, I have helped lead a committee dedicated to promoting STEM education, volunteered for the Orange County Science and Engineering Fair, established events for PEEG members and held outreach and educational community events promoting PEEG. I hope that you will allow me to continue to represent you and your voice as President-Elect.

Thank you for your support.
