PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT

VICE-PRESIDENT, SUPERVISORY

Jonathan Lawhead

(No photo available)

Caltrans – District 12
Division of Planning and Local Assistance
Senior Transportation Engineer
Year of State Service: 3 years

My name is Jonathan Lawhead, and I am seeking your consideration and support in running for Vice President Supervisory. I am currently a Senior Transportation Engineer within the Division of Planning and Local Assistance. I have been a PECC member since I joined Caltrans three years ago and am excited for the opportunity to become more involved with the Orange County Section. I appreciate your vote and look forward to serving our Section Member.
